Certificate III in Early Childhood Education and Care

****Government Funding is Available for
Eligible Individuals**

This training is delivered with Victorian and
Commonwealth Government Funding.

COURSE OVERVIEW

This qualification reflects the role of educators in early childhood education and care who work in regulated children's education and care services in Australia. They support children's wellbeing and development in the context of an approved learning framework.

Educators use a range of well-developed skills and knowledge using discretion and judgment when carrying out their work in the context of established policies and procedures.

They may work independently or under the guidance of others, though in some contexts that guidance may not be on-site.

ENTRY REQUIREMENTS

No licensing, legislative, regulatory, or certification requirements apply to this qualification at the time of publication.

ACPS ADMISSION REQUIREMENTS

Prior to enrolment or commencement of training, you will be required to complete a literacy and numeracy assessment and a pre-training interview. These will assist with determining your suitability for the course, verify your training plan, and identify any learning support needs.
