Certificate III in Individual Support (Ageing and Disability)

****Government Funding is Available for
Eligible Individuals**

This training is delivered with Victorian and
Commonwealth Government Funding.

COURSE OVERVIEW

This qualification reflects the role of individuals in the community, home or residential care setting who work under supervision and delegation as a part of a multi-disciplinary team, following an individualised plan to provide person-centred support to people who may require support due to ageing, disability or some other reason.

These individuals take responsibility for their own outputs within the scope of their job role and delegation. Workers have a range of factual, technical and procedural knowledge, as well as some theoretical knowledge of the concepts and practices required to provide personcentred support.

To achieve this qualification, the candidate must have completed at least 120 hours of work as detailed in the Assessment Requirements of the units of competency.

ENTRY REQUIREMENTS

No licensing, legislative, regulatory, or certification requirements apply to this qualification at the time of publication.
