CHC43315

Certificate IV in Mental Health

****Government Funding is Available for
Eligible Individuals**

This training is delivered with Victorian and
Commonwealth Government Funding.

COURSE OVERVIEW

This qualification reflects the role of workers who provide self-directed recovery oriented support for people affected by mental illness and psychiatric disability. Work involves implementing community-based programs and activities focusing on mental health, mental illness and psychiatric disability.

Work is undertaken in a range of community contexts such as community based nongovernment organisations; home based outreach; centre-based programs; respite care; residential services, rehabilitation programs; clinical settings; or supporting people in employment. Work is carried out autonomously under the broad guidance of other practitioners and professionals.

ENTRY REQUIREMENTS

No licensing, legislative, regulatory, or certification requirements apply to this qualification at the time of publication.

ACPS ADMISSION REQUIREMENTS

Prior to enrolment or commencement of training, you will be required to complete a literacy and numeracy assessment and a pre-training interview. These will assist with determining your suitability for the course, verify your training plan, and identify any learning support needs.
